

**Do you use syringes, needles, or lancets at home?  
Do you need a safe way to dispose of them?**

**Public Health - Muskegon County can help.**

We can provide approved sharps containers and properly dispose of them for you.

**Public Health**  
Prevent. Promote. Protect.

## **Muskegon County Sharps Container Disposal and Exchange Program**

For a membership fee of \$20.00, you will:

- Receive up to 4 one gallon sharps containers during your membership.
- Be able to safely dispose of up to 5 sharps containers during your membership.

All exchanges take place at Public Health - Muskegon County. If you are homebound, you may designate someone to pick up and drop off your sharps containers for you.

*Memberships expire one year from the date you join the program*

**Join the program at  
Public Health - Muskegon County  
209 E. Apple Ave.  
Muskegon, MI 49442**
